

# WSQ Certified Operations Specialist

## Course Description

The Certified Operations Specialist (COS) is a certificate awarded by WDA. It is specially designed for individual technicians or engineers across all industries who are keen to improve operational performance at work.

## Course Outline

- 1) Apply Teamwork in the Workplace
- 2) Apply 5S Techniques
- 3) Apply Quality Systems
- 4) Apply Workplace Safety and Health Policy

## WSQ Competency Units

The Singapore Workforce Skills Qualifications (WSQ) system offers a systematic path for individuals to equip themselves with relevant competencies so that they can upgrade their skills, enhance their employability and stay relevant.

## For enquiries,

Please contact us to register for this program  
**Tel:** (65) 6346 0311 **Email:** sales@atc.edu.sg

## Certification

An individual who completes each unit will get a Statement of Attainment (SOA). If an individual completed a number of units, he/she will be awarded a WSQ qualification.
